World Mental Health Day: Reading Well loans have doubled, says new report

English public libraries have reported major success with a new scheme of free book 'prescriptions' for common mental health conditions and dementia.

Shami Chakrabarti to deliver The Reading Agency Lecture 2015

Shami Chakrabarti, Director of human rights campaign group Liberty, will give our fourth annual lecture on 30 November 2015, entitled 'On Liberty, Reading and Dissent'.

The Reading Agency

We inspire more people to read more, encourage them to share their enjoyment of reading and celebrate the difference that reading makes to all our lives. Because everything changes when we read.
